

**BEFORE THE MINNESOTA
BOARD OF DENTISTRY**

In the Matter of
Robert H. May, D.D.S.
License No. D6989

**ORDER FOR
UNCONDITIONAL LICENSE**

The Minnesota Board of Dentistry ("Board") met to review the petition of Robert H. May, D.D.S. ("Licensee") for reinstatement of an unconditional license to practice dentistry in Minnesota.

BACKGROUND

1. Licensee and the Board's Complaint Committee ("Committee") entered into a Stipulation and Order which was approved by the Board on June 25, 1984, ("1984 Stipulation and Order") that placed restrictions on Licensee's dental license. The 1984 Stipulation and Order was based on evidence that Licensee provided substandard orthodontic treatment to patients as a general dentist.

2. Pursuant to paragraph 1. of the 1984 Stipulation and Order, Licensee's license was placed in a restricted status.

FINDINGS OF FACT

The Board makes the following findings of fact:

3. Pursuant to paragraph 1. of the 1984 Stipulation and Order, Licensee was required to do the following:

a. Paragraph 1.a. prohibited Licensee from performing orthodontic dentistry. For purposes of this Order, orthodontic dentistry means that branch of dentistry which deals with the causes, prevention and treatment of irregularities or malocclusion of the teeth and arches, and

specifically includes, without limitation intended, when solely for cosmetic purposes, any intentional movement of teeth, bite corrections, or performing any restorations. The Committee has not received any indication that Licensee has violated this portion of the 1984 Stipulation and Order.

b. Paragraph 1.b. required Licensee to limit his performance of dental services to dental care of dental patients at St. Peter State Hospital, St. Peter, Minnesota, that were assigned to his care. Licensee could exercise staff privileges at St. Joseph's Hospital, Mankato, Minnesota, only with respect to said patients of the St. Peter State Hospital. The Committee has not received any indication that Licensee has violated this portion of the 1984 Stipulation and Order.

c. Paragraph 1.c. required that within ten days of the effective date of the 1984 Stipulation and Order, Licensee would provide written evidence that he furnished a copy of the 1984 Stipulation and Order to his superiors or employers at the St. Peter State Hospital and St. Joseph's Hospital in Mankato. The Committee has not received any indication that Licensee has violated this portion of the 1984 Stipulation and Order.

Based on the foregoing, the Board concludes that Licensee has complied with the 1984 Stipulation and Order issued by the Board on June 25, 1984 and hereby issues the following:

ORDER

IT IS ORDERED that an UNCONDITIONAL LICENSE to practice dentistry in the State of Minnesota be conferred upon Licensee, such license to carry all duties, benefits, responsibilities, and privileges inherent therein through Minnesota statute and rule.
